

# **Garway Site Selection Survey Results 2012**

## **Executive Summary**

On the weekend of the 28<sup>th</sup> April 2012 questionnaires were hand delivered by members of the Parish Council to all households in Garway parish totalling 180 households.

91 questionnaires were returned to Plough Lane, Herefordshire Council by the deadline which was set as Monday 14<sup>th</sup> May 2012. A further 9 questionnaires were received after the cut of date and were not included in the final vote for each site, table 2 illustrates the result from the additional forms.

## **Introduction**

Herefordshire Councils Housing Needs & Development Team produced the survey to be sent to every household in Garway Parish. The survey was designed to seek the view of the household on which site they would like to see the development of affordable housing. The survey was a double sided sheet, the first side with an explanation of the survey and the rear side contained a map with six sites marked. The sites were a result of the consultation event held in March 2012, where residents were asked to place a sticker on the available map of the parish indicating which sites they considered suitable for affordable housing development.

The six sites marked were:

- Site 1            Land opposite Myrtle Cottage
- Site 2            Land to the rear of the primary school
- Site 3            The Old School
- Site 4            Land to the rear of the bungalows
- Site 5            Land to the rear of Fairview
- Site 6            Land to the east of Yewtree Farm

The questionnaires sheets were scored by a member of the Housing Needs & Development Team and the Local Ward member. Table 1 illustrates the results.
